

# Occasional Use Services

Available and On-demand  
Everywhere You Need To Be

## Instantly manage your broadcast requirements with Intelsat Occasional Use (OU) services

Whether you're transmitting breaking and scheduled news events, providing comprehensive coverage of live events or distributing syndicated programming, Intelsat has your occasional use needs covered. Easily book capacity on our global satellite fleet and quickly access our media and fiber network through Intelsat's strategically located Points of Presence (PoPs).

Intelsat's PoPs connect you to five Intelsat media teleports located in Atlanta, GA, Mountainside, MD, Napa, CA, Riverside, CA and Fuchsstadt, Germany with a full range of uplink, downlink, and value-added video signal processing services.

### Benefits At-A-Glance

- Access to OU capacity on strategic satellites in all regions
- Flexible inventory available based on demand
- Online tools for viewing and booking OU capacity
- Dedicated and knowledgeable teams support bookings and operations 24/7

### Easily Book Your Capacity

- To view available capacity visit MyIntelsat
- To book services, email our Network Operations Center at [bookings@intelsat.com](mailto:bookings@intelsat.com) or call +1 404-381-2900

# IntelsatOne Network Operations

## About Intelsat

As the foundational architects of satellite technology, Intelsat operates the world's most trusted satellite telecom network. We apply our unparalleled expertise and global scale to connect people, businesses, governments and communities, no matter how difficult the challenge. Intelsat is building the future of global communications with the world's first hybrid, multi-orbit, software-defined 5G network designed for simple, seamless, and secure coverage precisely when and where our customers most need it. Follow the leader in global connectivity and "Imagine Here," with us, at [Intelsat.com](https://www.intelsat.com).
